## MEN FAITH FORMATION

*“Leading men to be a witness of God’s love, and of the transformation that takes place within their hearts because of His mercy”.*

### If you are looking for:

A sense of purpose in life,  
Inspiration and understanding of the incredible plan God has for men,  
The courage to live passionately for God,  
The congruence of your beliefs and lifestyle, ..... Then

### Come!

And be inspired, challenged and captivated by the wonder of God's amazing purpose for our lives.

### Why?

We only need to look around us to know that we are a nation suffering from the crisis of being men. Many of us seek fulfillment in created things.

While men are crying out for the significance of our lives, our faith urges us to rise up and find significance and fulfillment in God as He leads us to live our truer-selves. We would like to respond to this cry by reflecting on some fundamental truths that will lead us away from disillusionment, depression or numbness into God's glorious light.

God has a better way, a greater plan.

*Know your Faith.  
Grow in Faith.  
Go in Faith.*

## DEREK CHONG

**Derek Chong**, is passionate about raising up leaders to be effective in their service in church and society. He has been involved in missionary work abroad and locally for 27 years. He is also serving as a life coach, helping individuals to find their passion and achieving their dreams.

## BROTHER THOMAS CHIA

**Bro Thomas**, will be focusing on his Vocation and the life experiences as a Religious Brother of Mercy. My "Talk" is to enlighten the Parents and help them to see and understand the life of a Religious.

The life of a Religious, as with the life of a married couple, has its ups and downs. I shall be giving a true picture, which ultimately the one who is being "Called" will have the grace to answer the Calling of God.

As a Brother of Mercy, my life also encompasses the works of mercy.
